

Plaquemine Lock Mission Statement

The following mission statement is a part of the ethos of the business and forms part of the employment contract of every member of staff.

To fulfil a duty of care to our customers – to ensure customers enjoy themselves to the fullest, and to safeguard their wellbeing on our premises

To encourage good eating, responsible drinking and social behaviour, and to be good neighbours – to prevent problem behaviour inside and outside our premises, and to make sure the streets surrounding are tidier, cleaner and better presented than they would be if we weren't there

To be profitable and equitably run – to keep an eye on the bottom line of the business whilst not compromising the customer experience

To fulfil a duty of care to our staff – ensuring safety at work and promoting training and self-development

To promote and celebrate Louisiana culture in London – to be sympathetic to the local area and its place within London with attention to London's food, art and history.
